Trail grooming – Greater Bragg Creek Trails Association

Event site details – West Bragg Creek Ski Trails are located entirely within Kananaskis Country, 8 km west of the Hamlet of Bragg Creek, AB. Base elevation of trails is 1450m; high point on Stairway to Heaven race course is 1480 m. Average snowfall – 50-100 cm. Average ski season – early December to mid-March. The trails are the closest Kananaskis Country trails to Calgary and are heavily used by locals and recreational skiers from the greater Calgary area. It is the only greater Calgary area ski area that permits dogs on the ski trails. The trails were designed in the early 1980s by Don Gardner primarily as race trails and are the same vintage as Peter Lougheed and Ribbon Creek trail systems. Course maps will be posted on www.xcbraggcreek.ca

Accommodation

Registration in the AYC includes accommodation at Easter Seals Camp Horizon, located southwest of Bragg Creek on Highway 66. The event committee is aiming to create a social experience in addition to a ski experience. We would like all athletes regardless of their place of residence to stay at the camp. The facility includes bunk beds in dorm rooms. Everyone staying at Easter Seals Camp Horizon will need to bring their own sleeping bag, pillow, towel and toiletries. Building on the successful model from Alberta Winter Games, chaperones, athletes and coaches will all be accommodated at Easter Seals Camp Horizon. The camp has 180 beds on site and has been reserved for AYC for March 1-3, 2019. <http://easterseals.ab.ca/CampSite/EasterSealsCampHorizon.aspx>

Parents and younger or older siblings will be required to find their own accommodation. (Cochrane is located 42 km north of Easter Seals Camp Horizon.)

Waxing

CCA Glide Waxing Protocol for All CATEGORIES

Cross Country Alberta requests that all coaches, athletes, wax technicians, and parents abide by a self-governed protocol while waxing skis for all athletes. This request applies to all local, regional and provincial events taking place in Alberta (e.g. club races, loppets, regional cup races, AB Cups, AB Youth Championships, and AB Winter Games). This request also applies to athletes traveling to Alberta from out-of-province or out-of-country. The recommended glide waxing protocol is as follows:

- Structure tools ARE permitted
- Non-Fluoro (NF) or Low Fluoro (LF) glide waxes ARE permitted
- Medium Fluoro (MF) or High Fluoro (HF) glide waxes are NOT permitted
- Pure Fluoro glide waxes (powders, pucks, blocks and liquid) are NOT permitted
- Cold weather powder additives and hardeners are NOT permitted

The adherence to this protocol is self-governed and is the responsibility of the coaches, athletes, parents and wax technicians.

There will be an indoor waxing room with electricity and heat at Camp Horizon. No electricity or waxing building is available at West Bragg Creek Ski Trails. Clubs are encouraged to bring their own tent or shelter if desired to use at West Bragg Creek Ski Trails.
